Sensorial Travel Experiences™

ITALY TRAVEL ADVISOR SERVICES

Your DMC for All Things Italia!

Life Beyond the Room (LBR) is a sensorial™ travel concierge dedicated to creating custom, unique itineraries for travelers seeking authentic experiences immersed in the lifestyle, flavors, and culture of each region. We LOVE to collaborate with travel advisors to connect your clients to some of the most undiscovered and authentic accommodations and experiences. Our mission of preserving culture and tradition through meaningful travel, plus our deep ties in Italy have allowed us to partner with boutique, locally owned accommodations that maintain a strong sense of place and allow travelers an authentic and immersive experience like no other.

Where Your Travelers Stay Matters.

We want your clients to experience the “wow” effect - our off-the-beaten-path accommodations and experiences in Italy deliver! The hotel, agriturismo, masseria, relais or villa often serves as the first impression of a place and we want it to represent the location in the most meaningful and authentic way possible.

On top of their beauty, what makes our selection of accommodations special are the people who own and run them!

Your travelers will arrive as guests and leave as friends.
